### **Vaccination Policy**

For the protection of all dogs, we require each canine participant to be current on their vaccinations. Distemper/Parvo (DHLPP) and Rabies are required for adult dogs and **proof of these vaccines must be received by PPR seven days prior to class start date.** We accept current (within the year) titers for Distemper/Parvo. The bordetella vaccine is highly recommended for all dogs. Puppies under six months must be current on vaccinations as recommended by their veterinarian and are required to have their first two DHLPP inoculations. Dogs not enrolled in class are unable to come to class. Please fax records to **410.741.1500.**

### **Cancellation and Refund Policy**

We have limited enrollment in our classes so payment is required to reserve your space. Once payment has been taken it is not refundable. If you are unable to attend the class for which you are enrolled, you may transfer to a different class up to seven days prior to the start date of the class. There is a \$20 transfer charge to change your class start day. If you cancel within seven days of the start of your class, your payment will not be refunded.

### **Family Members & Guests**

Family members are welcome to attend however, please limit the number of guests, as too many people will confuse your dog. There should be a designated handler throughout the series of classes when your dog is learning new skills. An adult must accompany children under 18.

### **Supervision & Safety**

Dogs must be supervised by owner/handler at all times. Unsafe handling, unsafe use of equipment, and unsafe conduct will result in dismissal from class. **Aggressive or excessively disruptive dogs will be excused from class.**

### **Make up Sessions**

The instructor will attempt to place you in a make up class if you miss a session. Make up sessions are not guaranteed.

### **Start Time**

Please try to arrive on time to class. It's easier on your dog and the other dogs if everyone is there at the start!

### **Clothing**

Please wear comfortable clothing that will allow you to move and work with dogs. For safety and comfort, do not wear high heels or flip-flops.
